November 2 - November 20

- Halloween Carnival today, October 30, from 6:30 - 7:30! All are welcome! We are still looking for a few more volunteers. If you can, please sign up here : Carnival Volunteers
- Book Fair is this week! Times for purchasing:
  - 1st Recess (11:45 - 12:20)
    - Kindergarten/Grade 1: Tuesday and Thursday
    - Grades 2/3: Monday, Wednesday, and Friday
  - 2nd Recess (1:25 - 1:55)
    - Grades 4/5/6: Monday, Wednesday, and Friday
    - Grades 7/8/9: Tuesday and Thursday
  - Library will also be open for after-school shopping on Wednesday until 5:00pm for families.
- All community members are invited to attend our Remembrance Day Assembly on Friday, November 6 at 10:30. Please note the change to 10:30. We are trying to get our moment of silence as close to 11:00 as possible. Anyone in cubs, scouts, guides, cadets, etc. to come in uniform to the assembly to be part of the colour guard.
- With temperatures starting to cool down, we want to remind families that students will be going outside for recesses, unless the temperature, including windchill is minus 23 and below. Please ensure students are prepared for the weather.
- We love having families comes pick up their older children from Red Deer Lake! As we often have classes outside at the end of the day, when it is nice, we ask for families to please stay at the ‘Small Playground’, which is the playground closest to the parking lot, until 3:25.
- A reminder when in the parking lot, to please exit your vehicle and use the adjoining sidewalk instead of using the road for walking. Not only does this create congestion during busy hours, it is also a significant safety risk for kids and adults. We have had a few ‘close calls’ the past few days involving pedestrians. So, let’s use our well planned sidewalk layout and improve flow of traffic trying to exit the parking lot.
- Please check slide #3 and slide #4 for information for Quebec Fundraiser for our kids going to Quebec and Ottawa!

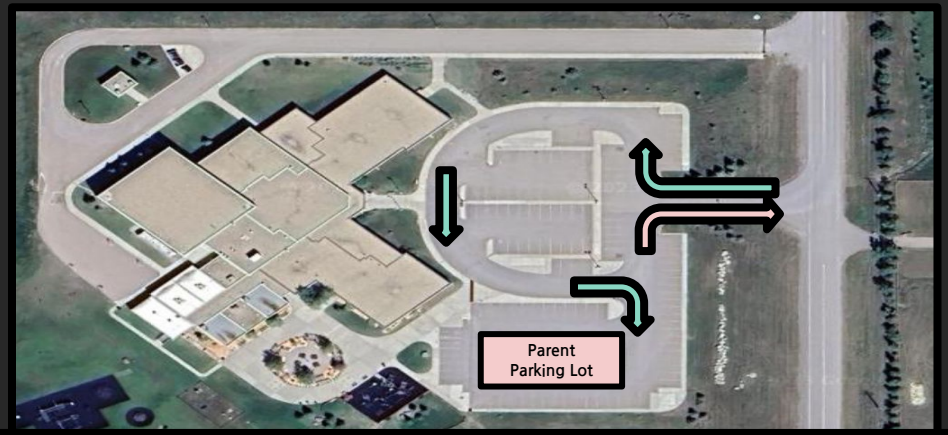
Traffic and Parking at Red Deer Lake



A reminder that there is a ‘one way’ to enter the parking lot. The parent parking lot is on the south end!

Reminder that the Spruce Meadows Green / 112th Street intersection is a two-way stop for traffic on Spruce Meadows Green.

PARENT GUIDE TO ASSESSMENT & REPORTING

Multiple Modes of Assessment

- Quality assessment and evaluation are crucial for improving student learning.
- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

GRADE LEVELS OF ACHIEVEMENT

Grades K - 8

Levels of Achievement are the scores teachers in kindergarten through to grade 8 use to indicate a student's level of performance, in relation to the grade level outcomes in the Alberta Curriculum. This is a 5-point system.

1 Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2 Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3 Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4 Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5 Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
