Windchill Notice

Temperatures are going to start dropping! Similar to last year, we will have indoor recess and will let students in early when the temperature, including windchill, is -23°C and below.

Monday, January 26	Tuesday, January 27	Wednesday, January 28	Thursday, January 29	Friday,, January 30

January 26 - February 6

PD Day tomorrow, Friday, January 23rd, no school for students

Red Deer Lake Merch is available for purchase! See here for the link : Red Deer Lake Merch
Orders close on February 3 with a delivery of February 23.

Below you will find the link to the volunteer sign up for the Winter Walk on February 4 here: Winter Walk Volunteers

Junior High families, we wanted to provide some clarity with the 'student support' days that have been in our calendars for a few months.

- This time provides students with additional time to complete assignments and study for tests. This is available from 11:45 - 12:15. Please see the calendar each week for what classrooms are available. Please ask your child if they attended - sometimes junior highs aren't always the first to let you know!

Please check to see if you are up to date with your school fees. For payment of your learner's fees, please log into your **FSD Edsembli Family Portal** site available: edsembli SIS For more information on fees, please visit the Foothills School Division website.

YOU ARE INVITED TO

PARENT GUIDE TO ASSESSMENT & REPORTING

Multiple Modes of Assessment

- Quality assessment and evaluation are crucial for improving student learning.
- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

GRADE LEVELS OF ACHIEVEMENT

Grades K - 8

Levels of Achievement are the scores teachers in kindergarten through to grade 8 use to indicate a student's level of performance, in relation to the grade level outcomes in the Alberta Curriculum. This is a 5-point system.

1 Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2 Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3 Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4 Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5 Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
