November 9 - November 27

Parent Teacher Interviews

We are reaching out to share the booking system for our parent teacher interviews. The link is below, plus a few notes:

- Click on the 'block' for the teacher you are looking to book. Most teachers you will find after you click on the 'RDL Fall Parent-Teacher Interviews' section, then scroll down to select the staff member. The other 'sections' are because some teachers have slightly different schedules.
- Most interviews for teachers take place on November 25 and November 26. With some exceptions:
  - Ms. Kaminer and Ms. Ozimko's full time kindergarten interviews take place on November 17 and November 18.
  - Ms. Copeland's grade two interviews are November 24, 25, and 26
  - Mr. Hibberd's interviews take place on November 24 and November 25.
  - Ms. Hinton's junior high interviews take place from 6:00 - 8:00 on November 25 and November 26
- Red Deer Lake | Parent Teacher Interviews

As always, here to help when you have questions!

November 9 - November 27

- With temperatures starting to cool down, we want to remind families that students will be going outside for recesses, unless the temperature, including windchill is minus 23 and below. Please ensure students are prepared for the weather.
- A reminder when in the parking lot, to please exit your vehicle and use the adjoining sidewalk instead of using the road for walking. Not only does this create congestion during busy hours, it is also a significant safety risk for kids and adults. We have had a few ‘close calls’ the past few days involving pedestrians. So, let’s use our well planned sidewalk layout and improve flow of traffic trying to exit the parking lot.
- Please check slide #3 and slide #4 for information for Quebec Fundraiser for our kids going to Quebec and Ottawa!
- November 9 - November 13 | November Break | No School for Students

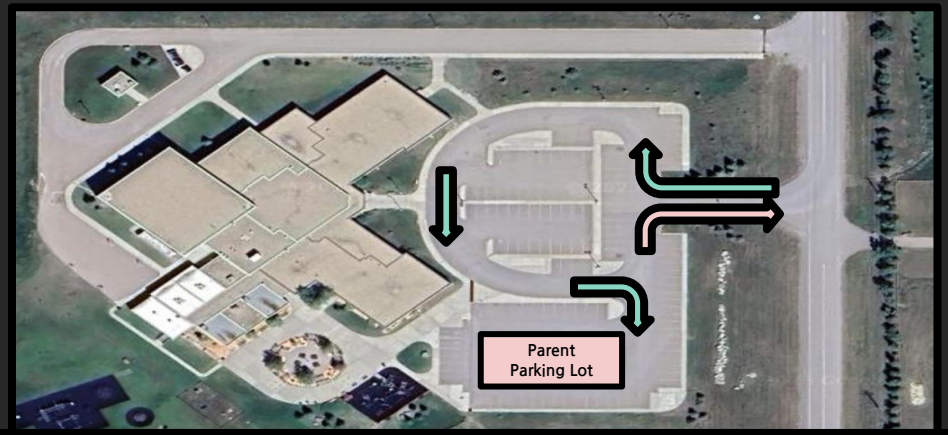
Part Time Kindergarten Calendar

Traffic and Parking at Red Deer Lake



A reminder that there is a ‘one way’ to enter the parking lot. The parent parking lot is on the south end!

Reminder that the Spruce Meadows Green / 112th Street intersection is a two-way stop for traffic on Spruce Meadows Green.

PARENT GUIDE TO ASSESSMENT & REPORTING

Multiple Modes of Assessment

- Quality assessment and evaluation are crucial for improving student learning.
- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

GRADE LEVELS OF ACHIEVEMENT

Grades K - 8

Levels of Achievement are the scores teachers in kindergarten through to grade 8 use to indicate a student's level of performance, in relation to the grade level outcomes in the Alberta Curriculum. This is a 5-point system.

1 Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2 Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3 Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4 Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5 Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.

6 Day Schedule
