SCHOOL PATROLS

With increased traffic due to the new detour, school patrollers play a vital role in keeping students and pedestrians safe. Their dedication ensures that everyone crosses streets securely and navigates busy intersections with caution. Drivers are reminded to stay alert, reduce speed near schools, and follow patroller signals to create a safer environment for everyone. Let's work together to keep our roads safe!

REGISTRATION OPEN FOR KINDERGARTEN / JR. KINDERGARTEN

The Foothills School Division is still accepting registrations for its Junior Kindergarten and Kindergarten programs. These programs are designed to foster early childhood development and prepare children for a successful educational journey.
