

July 2, 2025

Hello Joe Clark Families,

As we wrap up another wonderful school year and head into a well-deserved summer break, we wanted to share a few important updates to help you prepare for the upcoming school year.

Your child's **June Learner Profile** is now available through the Edsebli Family Portal. To access it, log in and click on the "Student Document" tab, where you'll find the profile ready to view or download.

Foothills School Division has adopted a standardized approach to sharing class lists across all schools. With the many changes that can happen over the summer—students moving in or out—class lists will be finalized and shared with families on **Friday, August 15, 2025**. This ensures that the thoughtful planning behind each class remains accurate and balanced.

Supply lists for the 2025–2026 school year are now posted on the Joe Clark School website under [ÉJCS Student School Supply Lists 2025/26](#). You can either purchase supplies on your own or order through the School Start Program for home delivery. This year, we've simplified the lists so you can shop ahead of time. Please purchase supplies based on the grade your child will be entering in Fall 2025.

Our staff are working hard to create class groupings that support friendships, balanced class sizes, and diverse learning needs. We're confident that your child will have a fantastic year ahead—filled with great teachers, great friends, and meaningful learning experiences.

Both English and French Immersion Kindergarten classes will have a staggered start during the first week of September. Please check your email for details from your child's classroom teacher regarding which days they will attend.

Thank you for your continued support. We wish you and your family a safe, sunny, and restful summer.

Jolene Becker & Corre Mahan  
École Joe Clark School Administration Team

## **August 29 – Student Transition Day**

Student Transition Day is a great opportunity for students to visit the school, see their classroom, meet their teacher, and drop off any supplies they may have.

This is a drop-in event running from 11:00 a.m. to 3:00 p.m., and students must be accompanied by an adult.

Please note that there are no formal classes on this day—it's simply a chance to get familiar with the school environment and connect with staff if you wish.
