Hello Joe Clark Families,

Kindness Week kicks off on Monday, and we're excited to share a week full of fun, meaningful activities designed to celebrate compassion, community, and positive choices across our Bronco Crew!

Here's what's happening each day:

Monday – Whole School Show and Share

Join us in the gym at lunch recess as we kick off Kindness Week with a special Show and Share event, where students can showcase items that are special to them with friends from any class!

Tuesday – Flood the School with Kindness

Let's fill the halls with kind words and actions! Students will be encouraged to write and post kind messages throughout the school to create a wave of positivity.

Wednesday – Bronco Market

Students can "cash in" their blue Bronco Tickets for treats and small prizes at the Market. It's a great way to celebrate those making positive choices!

Thursday – Brighten the School Day!

It's Wear Your Favorite Color Day! Let's fill the school with bright colors and even brighter smiles.

Friday – Spread the Love

We'll be painting rocks with kind messages and colorful designs to fill our front flower beds. The location will be announced at lunch recess—don't miss it!

You can support this initiative at home by asking your child about the Bronco Agreements and how they're making positive choices each day.

Thank you for being a part of our respectful and caring school family!

Spitzee Eagles Soar to Victory in the 2025 Bottle War!

The results are in, and the Spitzee Eagles have officially claimed the crown in this year's Bottle War! Our very own Joe Clark Broncos gave it their all, collecting bottles with gusto and a shared dream of pie-ing Ms. Becker and Ms. Mahan in the face. 😞

But alas, the Eagles took the lead and flew away with the win!

Even though the Broncos didn't get their pie moment (this time!), **the real victory belongs to the entire school community.** Thanks to everyone's enthusiasm and participation, we raised over \$640 through bottle donations — a huge success for our school and a great show of teamwork and environmental care.

A massive thank-you to everyone who contributed to the fun, the friendly competition, and the greater good.

Here's to recycling, school spirit, and maybe... next year's rematch?!

"Drop and Go" Zone:

We have a convenient "Drop and Go" zone for parents who need to quickly drop off their children. This zone is located on the East side of the school, near the ECJS sign. You may briefly park here while your child exits the vehicle, but please do not leave your vehicle unattended.

Bus Zone and Emergency Vehicles:

Please be aware that the area in front of the school on the West side is reserved for FSD buses and emergency vehicles. This area is NOT a drop-off zone, as it must remain clear for buses and emergency vehicles at all times. This policy is mandated by the town and FSD bussing, not by Joe Clark staff.

Crosswalks and Patrollers:

To keep everyone safe, please remind your child to use the designated crosswalks and listen to our friendly school patrollers. It's always a good idea to set a great example by using the crosswalk yourself, even if you're in a hurry at the end of the day.

Let's work together to make our school a safe place for everyone!

Are You Moving? Changing Schools?

We know family situations change and respect your families' decisions regarding your educational choices. It is helpful for us to know in advance if you are moving or will be attending another educational program for next year. If you would please give the office notice of any anticipated changes, that would be greatly appreciated.
