Good Afternoon Joe Clark Families,

Just a few small pieces of information regarding events this week.

We will be hosting a **Meet the Teacher Night** this Thursday evening from 5-7 pm at Joe Clark School. This will be an informal evening for families to meet their children's teachers, play and socialize on the playground and peek at the school and classrooms. We will also have Food Trucks set up on site for families wishing to purchase and make an evening of it. Thank you to JRR BBQ, and Mini Donut Factory who will be offering hotdogs, juice boxes, mini-donuts, lemonade and snow cones for purchase!

Following our Meet the Teacher Evening on Thursday, we will have our first **School Council** meeting in the Learning Commons at 7 pm. If you are interested in joining School Council please plan to attend. We look forward to seeing new faces this year and welcoming members who have attended in past years. A School Council group functions as an advisory body to school administration and members work with the school team as advocates for student learning. It is open to families and community members to join.

Looking forward to connecting with families this week!
