

Dear Turner Valley School Parents/Guardians,

Today marks the first day of our newest fundraiser through the Turner Valley School PTA!!!

We are very excited about this fundraiser as it is completely different than any that we have done in the past. It is being offered through DFSCanada, and is an entirely online fundraiser!!!

What are we selling?

DFSCanada is an amazing company that offers a wide variety of products including; gift wrap and cards, specialty housewares, gifts, treats and more!!!

What is so great about an online fundraiser?

- 😊 There is no need to bring catalogues or forms around to your friends and family
- 😊 It is not limited to those that live locally, anyone in North America can support the school!
- 😊 It's easy! You set up your student's account through the fundraiser link, then share their link through social media, email or any other way you can think of to get the word out!
- 😊 You and your students' supporters will be able to Christmas shop from home while supporting our school!!!

Do not forget to choose your class when you are registering because the class that sells the most will get a tiger keychain to proudly display on your backpack, agenda, coat or anywhere you want to show off your **TIGER PRIDE!!**

So how do we start?

The best way to share your fundraiser is by creating an online account. Out of town friends and family may shop using your participant ID which is emailed to you when you create an account. If you already have one just login and re-send your link out!

WHY: To help fund our programs and special functions.

GOAL: For our supporters to participate and sell 10 items. Remember that the class that sells the most will get tiger keychains!

Helping us reach our goal is Fun and EASY. We have partnered with Dieleman Fundraising to make it happen! Browse the online shop for over 400 awesome products!
