Mental Health Supports in School - Grant Applications

Foothills School Division has recently submitted several proposals requesting grant funding to support youth mental health. Applications have been made to TELUS for \$100 000 as well as to Alberta Education for the *Mental Health in Schools* grant requesting \$400 000 to build upon the work of the Youth Partnership Summit held last year and to continue providing supports to our system through the work of a youth mental health navigator.

Meeting with Minister LaGrange

On September 8, 2022, the Board of Trustees attended a 30-minute meeting with the Minister of Education, Adrianna LaGrange. Foothills School Division was given the opportunity to raise two items of significance with the Minister during their time together. The chosen items of advocacy were insurance and a new high school in Okotoks.
