Kindness Week - "It's cool to be kind".

Kindness Week

About Kindness Week from the Grade 1 Class

We had kindness week to show our kindness. Kindness is easy. You just do things that are nice. We wanted to do kind things for people who do kind things for us. You don't have to wait for kindness week, you can be kind everyday. Kindness makes you feel happy.

Stay the Course

We are almost through the year!
We have three months left of school. Let's keep our spirits soaring high. In these next few months we have field trips, a badminton tournament, several birthdays, and nice weather to look forward to. Stay positive and focused! Let's go Eagles!

A Lesson in Nature

Hello! My name is Tobey I am a boreal forest frog. I am currently staying in an aquarium in the 4,5,6 classroom. I like to eat flies, ladybugs and sometimes snails. I am a very social frog. I like to hide under logs, moss and mud. Thanks for the visit. ~ Tobey Maguire.

Coming in to the School

We are happy families are now able to enter our school. If you are picking up your child, please wait in the foyer while we collect your child and belongings for you. Students are still learning and we don't want to cause any distractions in the hallways during school. Thank you for your consideration in this matter.

Changes to After School Plans

If there is a change to your child's after school plan, please let your student's teacher or the school office know before the end of the day. If we have not had communication regarding a change, we will need to confirm with a call home.
