Longview School News

January 2022

Welcome Back Update

Happy New Year Longview School Families!

We hope that you were able to enjoy the extended school break as we make our way into 2022 and the second half of the school year. Please be reassured that we are remaining vigilant with masking, sanitizing/handwashing, distancing and cohorting. Your children are in very good hands, and we are so pleased to have them back in the building with us.

We are moving forward day by day and are remaining positive that we will make our way out of all of this very soon. That being said, we are continuing to ask for your help and support in keeping our school environment safe and open for students to attend in person. So if your child is sick, please keep them home until their symptoms subside.

We will continue to inform you of any changes that may occur.

Longview News

Save the Date....

Monday January 10th: Back to School

Wednesday January 19th: Hot Lunch

Thursday January 27th: Virtual Kindergarten Open House

Thursday January 27th: Virtual School Council Meeting

Friday January 28th: PD Day - No School for Students

Family Goal Plan Winners!!

Thanks to all of the families who participated in the Family Goal Planning! Here are the December winners! Congratulations! Be watching for the next Goal Planning sheet!

Holiday Reading Celebration

Our Holiday Reading was a huge success! We want to thank all of our Longview families for supporting our reading initiative! Our goal was to read 250 books. We read 382! **YAY** Longview School! With the support of the Foothills Composite High School we will be donating **\$1000** to the Oilfields Food Bank.

Millarville Racetrack Donation

Longview School received a very generous donation from the Millarville Racetrack. The Kids Only Shoppe (KOS) is a special place for children ages 5-12 to shop for everyone on their holiday list. The net profit generated by the KOS is donated back to support wellness at local schools.

Thank you Kids Only Shoppe and Millarville Racetrack!

New Water Bottle Filling Station

We are very excited that our new water bottle filling station is installed and ready to use! Thank you School Council for the funds for this upgraded water station.

What is your Goal for 2022?

Jace (grade 3)

"My goal for 2022 is to help people all the time when they need it."
