

OUR ANNUAL EDUCATION RESULTS REPORT SCHOOL KEY INSIGHTS FROM NOV 2024
LONGVIEW SCHOOL

Key Insights for Engagement

Advance Stakeholder Engagement and Communications

Areas of Strength:

- Online communications and celebrations on social media, rise vision and newsletter
- Parent council is a thriving community of involved parents
- Improved parental involvement and satisfaction with quality of education and improved participation in FSD assurance survey
- Needs-based school where all students are supported every day

Areas for Growth:

- Increase parental involvement in school council
- Engage students in student leadership
- Helping students understand how to be citizens of our school and overall community
- Make public and celebrate our school goals

Next Steps:

- Collaborate with our families to improve academic collaboration
- Create an opportunity for families from Eden Valley to become involved in our parent community
- Intentionally celebrate individual and school-based improvement goals that are regularly achieved.
- Collaborate with community groups to develop a sense of belonging and citizenship

Key Insights for Engagement

Advance Continuous Improvement and Assurance

Areas of Strength:

- Improved parental involvement and satisfaction with quality of education and improved participation in FSD assurance survey
- Needs-based school where all students are supported every day

Areas for Growth:

- Helping students understand how to be citizens of our school and overall community
- Make public and celebrate our school goals

Next Steps:

- Intentionally celebrate individual and school-based improvement goals that are regularly achieved.
- Collaborate with community groups to develop a sense of belonging and citizenship

Key Insights for Support

Advance Wellness and Wellbeing

Areas of Strength:

- Children feel safe and supported at school
- Our students understand that struggles are a normal part of life
- Support and care are strengths of the Longview school staff. We are promoting and creating a school culture and environment that is wellness focused, supportive and compassionate.
- Students know they can count on staff to both support them and to hold them accountable in a trusting and compassionate way.

Areas for Growth:

- Peer connection
- Internal resilience
- Incorporate our continuum of supports in all actions and decisions.
- Learning environments are adapted as necessary to meet learner needs, emphasizing a sense of belonging and high expectations for all.

	Next Steps: <ul style="list-style-type: none"> • Peer connection: Mentorship, clubs, volunteerism • Internal resilience: zones of regulation work and mindfulness teaching • Gather stakeholder feedback to refine our continuum of supports. • Improved wrap around services and supports enhances conditions required for optimal learning and wellness.

Key Insights for Support	
Advance our Continuum of Supports	
Areas of Strength: <ul style="list-style-type: none"> • Children feel safe and supported at school • Our students understand that struggles are a normal part of life 	Areas for Growth: <ul style="list-style-type: none"> • Peer connection • Internal resilience
	Next Steps: <ul style="list-style-type: none"> • Peer connection: Mentorship, clubs, volunteerism • Internal resilience: zones of regulation work and mindfulness teaching

Key Insights for Success

Advance Innovation and Design

Areas of Strength:

- Incorporating the real world into our daily lives including financial literacy
- Utilizing real world examples as a daily part of our learning to transfer our learning to our lives outside the classroom.

Areas for Growth:

- Project-based learning in the Math & science classrooms.
- Multi-age groupings to facilitate conceptual learning.

Next Steps:

- Utilize digital portfolios that will help students connect their learning to the job world.
- Innovation and Design and Career Futures Frameworks enrich learning and meet the needs of learners.

Advance Learning that Transfers

Areas of Strength:

- Individualized goal setting
- Students draw on their experiences to encourage connection and learning transfer.

Areas for Growth:

- Provide opportunities for learning to be creative, innovative and connect to the real world.
- Identify individual strengths and focusing on strengths to advance student learning.

Next Steps:

- Applying new learning to new situations and contexts.
- Deepen students' understanding of prior concepts through content lines and cross-curricular learning.

Advance Literacy and Numeracy	
Areas of Strength: <ul style="list-style-type: none">• Our school naturally differentiates for all students' needs both in remediation and enrichment.• Individualize student supports based on data collected to improve each student's literacy and numeracy goals.• Continuous reevaluation and assessments of student support to adjust programming and instruction as needed.	Areas for Growth: <ul style="list-style-type: none">• Celebrate individual progress rather than provincial standardized data.• Aim for at least 1 grade-level improvement for each child with the goal of narrowing the gap by the end of grade 6.
	Next Steps: <ul style="list-style-type: none">• Collaborative response model to identify student needs early.• Refine and continue with our collaborative and responsive cycle throughout the year.
Advance First Nations, Métis, and Inuit Student Success	
Areas of Strength: <ul style="list-style-type: none">• Naturally including FNMI content and culture into our daily routines.• Including FNMI culture in all of our celebrations and assemblies.	Areas for Growth: <ul style="list-style-type: none">• Regularly having elders come and share their knowledge with our school.• Collaborate with Stoney Nakoda education authority.
	Next Steps: <ul style="list-style-type: none">• Include ways for our FNMI students and families to celebrate their language and culture into our greater school community.• Support our families in participating in the local pow wow and other indigenous cultural events.
