THE YEAR OF THE HUSKY!

Welcome back to a new year at Heritage Heights!

As members of our Heritage Heights Community of learners, we all committed to making our mission a reality everyday in our building. We believe in striving to make a school community around the core values of **excellence, leadership and integrity**.

Defining Our Mission

Leadership = We create positive change and growth

Excellence = We strive for our personal best in all we do

Integrity = We do the right thing, at the right time for the right reasons

To support all of us into making this mission a reality, we will reflect on what this means consistently with our learners. Our work this year will promote growth through lessons and conversations around building our sense of **belonging**, striving to be **independent**, being **generous** with our time to give back to our school and others and aligning our actions to support **mastery** of the academics and beyond. Join us at our upcoming School Council Meetings to learn more.

**TRICKSTER
THEATRE**

Heritage Heights is excited to welcome Trickster Theatre to our School from October 2-6, 2023.

Trickster Theatre is an artist-in-residency company based in Calgary, Alberta. They tour across Alberta, creating approx. 50+ original shows a year in all kinds of communities based on a theme chosen by the school and developed with the assistance of Trickster. These residencies take place in schools, transforming the gym into a theatre.

A Trickster Theatre Residency involves the theatre team coming into our school for a week and facilitating staff and students in creating a unique and highly visual theatre. This week of workshops and rehearsals will culminate in a fun and high-energy production. They have been working with schools for over four decades! In that time, they have found that having parent involvement during a residency project greatly enhances the final production.

There are many ways parents can be involved in a residency – from preparing costumes and making props, to helping the Trickster Team move equipment in and out of the school. From October 2-6, 2023, Trickster will take over Heritage Heights, and we need your help!

ALL PARENTS INVITED TO THE FINAL SHOW ON FRIDAY OCT 6 at 1:30pm.
