WHAT ARE MOBILE AND SMART DEVICES?

Personal mobile and smart devices can be used to communicate with or access the internet. This includes a cell phone, tablet, laptop, or smartwatch, as well as their accessories, such as earbuds.

Other communication and internet-capable devices apply.

INSTRUCTIONAL VS. NON-INSTRUCTIONAL TIME

Instructional Time is the time dedicated during the school day to teaching subject area and curricular content and that is supervised by a teacher or other member of the school staff team.

Non-Instructional Time is school designated time that includes the time before and after school, lunch, recess, or another school-designated break in instructional time.

EXPECTATIONS FOR STUDENT PERSONAL AND SMART DEVICES

Devices are powered off and stored out of view during instructional time*

Junior Kindergarten to Grade 12

Devices may be powered on and used during non-instructional time

Grade 7 - Grade 12

Devices are powered off and stored out of view during non-instructional time*

Junior Kindergarten to Grade 6

All school sites

Families may contact the School Office to relay urgent messages to a student. Students may utilize designated school phones to contact family members for urgent matters.

* Exemptions for personal mobile and smart device use for students with documented medical and/or assistive technology needs as outlined in AP 350. Families can work with school staff and administration to assure requisite exemptions are in place. Personal devices may be employed under direction of a teacher for academic use in grades 7 - 12.

For more information please see Administrative Procedure 350 - Respect for All in accordance with Ministerial Order #014/2024

The new provincial mandate regarding mobile devices does not change much for what we have been doing at Red Deer Lake. However, a few pieces of information regarding our context:

- **All Mobile and Smart devices are powered off and out of view from 8:15 - 3:35 at Red Deer Lake from K-9.** We have received incredible feedback in previous years that this has been beneficial to our student population.
- If you have a get a hold of your child, please phone the office. We promise to get them so you can chat!
