- A **huge** note of thanks and gratitude to our school council for the time they put into organizing and purchasing all of the 'Back to School BBQ' on Thursday. What an incredible show of community! Events like this can't happen without the collective support and spirit of volunteerism we have at this school. So thank you to all for helping, our teaching staff for their time, and our families for attending.
- A reminder to please keep pets away from the playground until 3:40.
- Please check in at the office if you need your child picked up early, or dropped off late.
- School photos are this week! Individual photos are on Monday, September 8th and class photos are on Tuesday, September 9th. The only exception is Tuesday/Thursday kindergarten with Ms. Kaiminer have their individual photos on Tuesday, September 9th.

Traffic and Parking at Red Deer Lake

A reminder that there is a 'one way' to enter the parking lot.
The parent parking lot is on the south end!

Please avoid using the 'handicap' parking stalls unless you
have a pass

Had a parent who had close call
at the top of the hill right off of
Highway 22x and Tanbridge
Academy. A friendly reminder
that it is a three way stop!

PARENT GUIDE TO ASSESSMENT & REPORTING

Multiple Modes of Assessment

- Quality assessment and evaluation are crucial for improving student learning.
- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

GRADE LEVELS OF ACHIEVEMENT

Grades K - 8

Levels of Achievement are the scores teachers in kindergarten through to grade 8 use to indicate a student's level of performance, in relation to the grade level outcomes in the Alberta Curriculum. This is a 5-point system.

1

Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2

Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3

Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4

Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5

Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
