

Grade 1 Supply List: 2023-2024

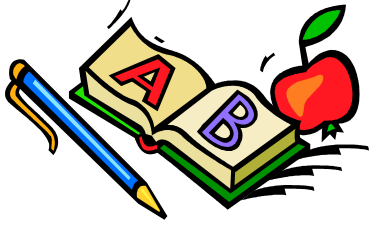

Dear Parents:

Grade One students will be supplied with many of the items that are needed throughout the year using money that will be collected in September. However, we are asking that each child bring a few supplies with them too.

What your child will need to bring from home for the first day of school:

- Two boxes of Kleenex
- Non-marking shoes for indoor use
- Backpack (please make sure it is a good size and no wheels)
- 4 pack of fine point whiteboard (Dry erase) markers and either an eraser or clean sock
- Reusable plastic water bottle (please label)
- One pair of headphones (please take them out of the packaging and label them)

Have a fantastic summer and we look forward to seeing you in the fall!

Sincerely,

The Grade One Team
