

# Wildcat Weekly

October 30, 2023

## An Interview with Mr. Olmsted:

### What makes a “good day” at school?

A good day for me starts with lots of activities in the gym and ends with a Wildcat game after school. Outside of athletics, a good day for me involves chatting with the students and making connections outside of class.

### How do you show school spirit?

I make sure to represent the Wildcats by wearing as much SWAG as possible and having students feel part of the school by participating in school sports!

### What accomplishment fills you with pride so far this year?

I'm so proud of all the older students in the school that have stepped up to set up events like: MCS Cross Country Meet, Wildcat Chaos, Pumpkin Palooza and scorekeeping sports after school.

## Happy Halloween!!

Dear Parents,

Happy Halloween to all our families! We are looking forward to seeing all the costumes tomorrow afternoon. Reminder that students have a regular morning and then change into Halloween costumes after lunch. We will have a Halloween parade in the gym and parents are welcome to come and join us. After the parade, we will have our Pumpkin Palooza which will be led by our older Wildcats. Please note that we do not allow weapons or super scary costumes! Thank you for your help with this! We hope the Wildcats have fun trick or treating tomorrow night.

We hope that all parents have signed up for our Learner conferences on November 2<sup>nd</sup> from 3:15 – 7:00pm. This will be the first of two conferences with the other held on April 25<sup>th</sup>. If you have not yet signed up, please look for an email from Lisa Kindt with instructions on how to sign up.

**The MCS BOOK FAIR is up and running now until November 2. It will be open until 7:00pm on the day of Learner Conferences. The money raised from the Book Fair goes directly to adding more books to our school library. We invite you to come and check out!!**

On November 10<sup>th</sup> at 10:45am, we will have our Remembrance Day Assembly in the gym. We invite all our community to come and attend this important day of remembrance with us. We have lovely traditions in our school with classes making meaningful symbols of remembrance for our wreath laying. We seriously look at the history of our country and the contributions and sacrifices that our soldiers and serving members have made to our present day lives. Please join us if you can.

The week of November 12<sup>th</sup> – 16<sup>th</sup> is now a Reading Week in the division and there will no classes. We hope that our families have a restful and rejuvenating week! We look forward to seeing the Wildcats back on November 20<sup>th</sup>.

On November 20<sup>th</sup>, the MCS School Council is inviting you all to a presentation from Amber Pavey - Present Possibilities. Ms. Pavey is an experienced teacher who will help students develop a practical understanding of well-being and self-care. The Wildcats will gain tips, tools, and techniques to reduce stress and improve wellness. Parents are invited to come to her presentation at 6pm that evening where she will present around the same topic for parents. You can learn more about her at [www.presentpossibilites.ca](http://www.presentpossibilites.ca)

Remember to sign up for Hot Lunch, check our website for more information or to participate. <https://www.foothillsschooldivision.ca/millarville>

With gratitude,

Ms. K. Davis
