

# Wildcat Weekly

October 6, 2023

## An Interview with Ms Lisa:

### What makes a “good day” at school?

A good day at school is one where I get to meet the kiddo’s first thing in the morning when they get off the bus.

### How do you show school spirit?

This fall I was able to help Ms. Olver out with run club, and of course wearing MCS swag.

### What accomplishment fills you with pride so far this year?

I love being able to help kids with band aids and ice. When they need an ear, or someone to wipe their tears, this makes me happy!

## Gratitude!

Dear Parents,

During the month of October, the Wildcats focus on the International Baccalaureate (IB) learner profile word of **knowledgeable**. Wildcats develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance. The wildcats are working to see connections between the things that they are learning. They can apply their understanding to new situations and across disciplines. They understand that their personal and local context give them insight into the needs of the global community.

This is also the month of **gratitude**. We are thankful for all the community support that the school receives to help us create a safe and engaging learning environment. We are thankful for the fundraising society for all their hard work that allows the students to go on field trips and to participate in sports. The fundraising committee pays for our bus trips and IB fees and help us buy resources that add to learning environment in the school. Your support of this committee and their fundraisers is appreciated. We would especially like to thank First Impressions for the donation of toques and backpacks for all the Wildcats! We are so proud to wear our swag!

Our teachers will be asking for a Parent Class Rep soon. This is one parent who will email the class when volunteers are needed for things like hot lunch days. It does not take a lot of time. The Class Rep can also represent the class at the School Council meetings if they choose but this is not a hard requirement. If you can help us with this, please let your child’s teacher know. It just helps with communication of fund raisers and other organizing that we need for events in the school.

We have lots of attachments to this Wildcat Weekly! Here’s what you will find:

- The MCS Assessment Policy and a summary of our educational plan. If you have any questions about these documents, please email me.
- Information about the Millarville Halloween Howl coming up. So fun!
- The Fundraising Committee newsletter added. Thanks!!

We desperately need new volunteers for School Council and the Fundraising Society. Both have one meeting per month and each meeting is under an hour long. If you can help us with these groups, please email me at [davisk@fsd38.ab.ca](mailto:davisk@fsd38.ab.ca) Please note the School Council meeting is changed to October 19<sup>th</sup> at 3:30pm in the Learning Commons.

Remember to sign up for Hot Lunch, check our website for more information or to participate. <https://www.foothillsschooldivision.ca/millarville>

With gratitude,

Ms. K. Davis
