

### **Summer School Registration**

Are you a grade 9 student looking for ways to make the most of the summer break? Do you want to free up your timetable for focussed coursework or career experience? Look no further! Foothills School Division Summer School offers an incredible opportunity for high school students to catch up, keep up, or get a head start on their academic and career journey.

Summer School runs July 2 to 29, with diploma exams in August.

Why choose FSD Summer School?

- **Focused Instruction**
  - With dedicated, experienced teachers and tutors available on demand during the day, students receive focused instruction on one subject at a time. This allows for a deeper understanding and mastery of the material.
- **Build Confidence**
  - Summer school is a place to build confidence. Small group and individual learning sessions create a supportive environment where students can thrive and feel more prepared for the upcoming school year.
- **Get Ahead with Graduation Credits**

- Summer School is a fantastic opportunity to earn credits and prerequisites for career studies, giving students a head start on graduation requirements. Foothills School Division offers a variety of courses, including Math 15, which is open to grade 9 students entering grade 10. Students entering grade 10 are also encouraged to check out the unique course bundles that can provide up to 9 course credits.
- **Diverse Course Offerings**
  - Students are limited to one course, but the offerings are diverse. From Math and Science to English Language Arts, and Social Studies, there's something for everyone.
  - Some unique opportunities include Holocaust Studies, CALM (Career and Life Management), Physical Education, Agriculture Safety, Workplace Safety
  - [Check out the courses and course bundles at our website!](#)

Don't miss out on this amazing opportunity! **Registration for summer school is open from April 15 to June 9, 2025.**
