

Help Us Make the 2025 “Fore Education” Charity Golf Tournament a Hole-in-One!

We’re still riding the high from our *First Inaugural Fore Education Charity Golf Tournament*, and now we’re gearing up to make **2025** even more unforgettable — and we need YOU to help us hit it out of the park!

This year, we raised crucial funds to support the students and schools of the Foothills School Division. We were able to distribute funds to schools with the greatest needs, and we couldn’t have done it without the support of our amazing community. But now, we’re ready to take things to the next level and make the 2025 event even more epic!

What We're Looking For

We’re forming a **core working committee** to tackle all things golf — from planning to promoting to *making sure everyone has an unforgettable day on the course!* We’re on the lookout for 3 to 5 passionate, driven individuals who are up for the challenge and excited to get out into the community. Whether you’re a pro at event planning, a marketing guru, or just someone who wants to roll up their sleeves and help a great cause, we want you!

Your Mission (Should You Choose to Accept It!)

- **Get those donations rolling:** We need your help to secure exciting auction items and amazing prizes from local businesses. The more unique, the better!
- **Bring in sponsors:** We’re looking for local businesses to jump on board as sponsors. Not only does this offer fantastic visibility for their business, but it shows their commitment to supporting our school community.
- **Help us organize:** From managing event registration to assisting with the logistics of the big day, volunteers will play a major role in ensuring everything runs smoothly. The success of the tournament is all about teamwork — and we can’t do it without you!

No Experience? No Problem!

We’re not looking for professionals (though if you are, we won’t complain!). Whether you’ve organized events before or are just looking to dive in and lend a hand, **your enthusiasm and positive energy** are what really matter. Together, we’ll make a difference and have fun while we’re at it!

We’d like to get our committee together and start the planning process in January 2025. If you can devote a couple of hours per month – one virtual meeting, time spent canvassing – please consider joining our foursome.
