

January 22, 2026

Dear École Joe Clark Families,

Parents of students in Grades 4, 7, and 10 will receive the 2026 Alberta Education & Childcare Assurance (AECA) Survey by email starting **January 26**. The survey will be sent **directly to the primary parent email** and will appear as coming from the school principal. Please watch for it and take a few minutes to share your feedback—**the more responses we receive, the more accurate and helpful our results will be.**

If your family requires **additional access codes** (for example, in shared-parenting situations), please contact the school office and we will be happy to request them for you.

Please also take a look at the attached document, which provides helpful information and step-by-step guidance to support you in completing the survey.

Your voice truly helps guide school and division planning!

Zipper Season Is Here!

Parents, it's that time again... *Zipper Season!*

Our hallways are full of awesome winter coats—and a whole lot of “**Can you zip me up?**”

So here's the challenge:

Can your kiddo zip up their own coat?

- If **YES** → You've got a **Zipper Champion** on your hands!
- If **NOT YET** → A little practice at home goes a long way. Try a “Zipper Race,” practice on a hoodie, or play the classic “You start it, I zip it” game.

Why it matters:

Warm kids = happy kids = fewer frozen-fingered adults zipping 400 coats a day.

Thanks for helping us conquer Zipper Season—one jacket at a time!
