Literacy Week

Literacy week was filled with many wonderful school-wide activities. We would like to thank our MCS families for joining our morning of reading.

Featuring a special visit by...

OKOTOKS OILERS

On January 29 we had the Okotoks oilers come and read to all the classes of Millarville School. All the classes took turns listening to the stories that they read.

We also asked them questions about there team and they answered. We had Rhettson Wapple from grade one who said his favorite part of the okotoks oilers coming to our school

was when they read the book The Best Goalie Ever by Gilles Tibo. All the classes enjoyed the week of reading and we are very fortunate that they were able to attend our school.

"Literacy week was a great opportunity for our school and community to connect with eachother and rediscover a love for reading" - Ms. Weisbrodt

"my favorite part of literacy week was the flashlight reading in the dark." -Journey Grade 1

"My favorite part of literacy week was flashlight reading because reading in the dark is fun" -charlotte grade 4

"The Oilers because the book was funny"- Kelton and Westley Grade 2

"My favorite part was flashlight reading because it was dark"

-Freya grade 3

" The family reading because my little brother came." - Brodie Grade 4

Winter is here, and at MCS we're making the most of the snow, cold, and everything that comes with it!

Students will have the opportunity to skate on the rink next door during lunch recess on designated days.

Skating Schedule

- Grades 1–4: Monday & Wednesday
- Grades 5–8: Tuesday & Thursday

Students who choose to skate must:

- Bring their own skates
- Wear a helmet that fastens securely

The MCS Fundraising Society would like to take this opportunity to sincerely thank all the volunteers who help keep our hot lunch program running! It is one of our most successful fundraisers, and we truly could not do it without you.

Our hot lunch program relies on a dedicated core group of volunteers, and we are always excited to welcome new faces. If you have a couple of hours to spare over lunchtime, please consider signing up for a shift. Please watch for the volunteer sign-ups that are released at the end of each month before menus go live.

Thank you so much for your continued support!

MCS Hot Lunch Coordinator Hannah Johnson

Thank you!

Millarville Early Learning Society (MELS) is offering summer childcare:

Summer Vibes
July 6 to August 21, 2026.

Get ready for a summer full of sunshine, creativity, and outdoor adventure! Our summer program focuses on hands-on play, messy fun, and exploring the outdoors.

Children will enjoy exciting activities like tie-dye spray art, frozen t-shirt challenges, nature painting, fort building, scavenger hunts, obstacle courses and water games. Each day encourages movement, imagination and social play in a safe supervised outdoor environment that is also emergent.

The program is perfect for kids who love to explore, create and have fun while making summer memories with friends.

Spaces are limited, don't miss out on a summer full of smiles, laughter and adventure.

OSC Summer Camp:
8:00am–5:00pm (Grade 1 - 6)
Cost: \$250.00 per week or \$1,600.00 for the full summer (\$200 for Aug. 3-7)

Accepting OSC Income Subsidy (part time subsidy rate applies for 50+ hours per month enrollment and full time subsidy rate for 100+ hours per month enrollment. No subsidy available for less than 50 hours per month enrollment) Parents must apply for this separately, MELS cannot help apply or apply on your behalf.

If you are interested in registering for summer camp, please contact Jolene at msjolene.mels@gmail.com.

Thank you,
MELS team.

Millarville Community School

January 19, 2026

Dear Millarville School Community,

January was a busy and joyful month at our school, filled with creativity, learning, and memorable experiences for students across all grade levels.

We were excited to enjoy a school-wide performance of Pinocchio, presented by Alberta Theatre. This professional production brought the classic story to life and gave students the opportunity to experience live theatre right here at school.

Our Grade 5–8 students enjoyed a fantastic ski trip to Nakiska, where they spent the day developing skills, building confidence, and supporting one another on the slopes.

We also celebrated Literacy Week throughout the school, with students participating in a variety of activities that promoted a love of reading, writing, and storytelling. The week highlighted the importance of literacy across all subject areas and encouraged students to engage with books and language in meaningful ways.

January also brought our Kindergarten Open House. It was a pleasure connecting with families and welcoming future students to our school community.

Lastly, we ended the month with a fun and well-attended Movie night in the gym. Thank you to everyone who came out to enjoy the movie and spend time together as a school community. We truly appreciate your support—all proceeds go directly back into supporting our school and students.

Thank you to our staff, students, and families for making January such a successful start to the year. We look forward to the many learning opportunities ahead.
