MEASURES AND TARGETS: PROVINCIAL & LOCAL

- **Learning Outcomes (PAT & Diploma):**
 - Increase in FSD performance results 'At or 'Above' provincial average for Acceptable Standard and Standard of Excellence on grade 6 and 9 provincial achievement tests in Language Arts, Math, Social Studies and Science for self-identified First Nations, Métis, and Inuit students.
 - Increase in FSD performance results 'At or Above' provincial average for Acceptable Standard and Standard of Excellence on Grade 12 diploma exams for self-identified First Nations, Métis, and Inuit students.
- **High School Completion Rate (AEAM):** Increase in percentage of self-identified First Nations, Métis, and Inuit students who completed high school within five years of entering grade 10.
- **Cultural Perspectives Survey:** As part of the Student Intellectual Engagement Survey, we ask all students grades 4-12 their perspectives regarding diverse cultures including but not only First Nations, Métis, and Inuit peoples. This survey is further disaggregated to compare the general population's perspectives with those self-identifying as First Nations, Métis, and Inuit peoples.
- **SOS-Q (Student Orientation to School Questionnaire):** Increase/maintain in percentage of students who are at or above the National Norm in the areas of Safe and Caring, External Resilience, Internal Resilience, Self-Confidence, Peer Relationships, Utility of School and Extracurricular Activities.
- **Student Intellectual Engagement Survey:** Increase/maintain percentage of students who chose to agree or strongly agree in 50% of questions in Grades 4 -12 in the areas: High Expectations, Relevance, Rigor, Effort, Lose Track of Time (ELA, Math, Social Studies, Science, CTF/CTS).
