Millarville Community School

January 19, 2026

Dear Millarville School Community,

Thank you to all families who took the time to share their thoughts through our Learning Survey. Your values, perspectives, and feedback are very important to us, and we want you to know that your voices have been heard.

After consideration, we have made the decision to discontinue International Baccalaureate (IB) programming as we are confident that strong teaching and meaningful learning will continue to thrive at Millarville outside of the IB framework.

As a staff, we will be engaging in thoughtful professional dialogue and collaboration to develop a **Millarville Community School Vision for Learning**. This work will build on the many strengths already present in our classrooms and will reflect the values shared by our community. We look forward to sharing this vision with you in the fall.

We would like to reassure families that while we are not planning drastic changes to how learning is structured at Millarville, we do see this as an opportunity for continued growth. The strong teaching and learning taking place in our school will continue to evolve, deepen, and improve as we enhance our practice, strengthen our Wildcat culture, and explore innovative avenues that support student engagement, well-being, and achievement.

We are sincerely grateful for your continued support and partnership.

Emily Baranyay

DROP
&
READ

Dress as your
favorite book
character!

January 26th-30th
8:30am-8:45am

Winter is here, and at MCS we're making the most of the snow, cold, and everything that comes with it!

Students will have the opportunity to skate on the rink next door during lunch recess on designated days.

Skating Schedule

- Grades 1-4: Monday & Wednesday
- Grades 5-8: Tuesday & Thursday

Students who choose to skate must:

- Bring their own skates
- Wear a helmet that fastens securely
