March 16 - March 27

BELONG. BELIEVE. BECOME.

BE A DRAGON.

Belong

PEOPLE WILL FORGET WHAT WE SAID, PEOPLE WILL FORGET WHAT WE DID, BUT PEOPLE WILL NEVER FORGET HOW WE MADE THEM FEEL.

WE ARE CURIOUS, NOT JUDGMENTAL

Believe

WE ARE BRAVER THAN WE BELIEVE, STRONGER THAN WE SEEM, AND SMARTER THAN WE THINK.

NOT ALL THOSE WHO WANDER ARE LOST

Become

THE ONLY PERSON WE ARE DESTINED TO BECOME IS THE PERSON WE DECIDE TO BE.

Professional Development Day

- Monday, March 16. No school for students

We are already thinking about next year! If you are leaving Red Deer Lake, please complete the following form. This just helps with our planning for 2026/2027: [Red Deer Lake : 2026/2027](#)

Our grade six student government is raising money for the Alberta Children's Hospital. If you would like to donate, children can give the cash to their homeroom teacher. Due by March 25!

School Fees: Paying through Edsembli is best, but we take cheque/debit/credit at the office or over the phone. A reminder as there have been a few families paying through the hot lunch/school council system. If you have questions, just let us know!

Part Time Kindergarten Calendar 2025-2026 V. October 2025

PARENT GUIDE TO ASSESSMENT & REPORTING

Multiple Modes of Assessment

- Quality assessment and evaluation are crucial for improving student learning.
- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

3/7

GRADE LEVELS OF ACHIEVEMENT

Grades K - 8

Levels of Achievement are the scores teachers in kindergarten through to grade 8 use to indicate a student's level of performance, in relation to the grade level outcomes in the Alberta Curriculum. This is a 5-point system.

1

Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2

Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3

Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4

Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5

Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
