- A reminder when in the parking lot, to please exit your vehicle and use the adjoining sidewalk instead of using the road for walking. Not only does this create congestion during busy hours, it is also a significant safety risk for kids and adults. We have had a few 'close calls' the past few days involving pedestrians. So, let's use our well planned sidewalk layout and improve flow of traffic trying to exit the parking lot.

## PARENT GUIDE TO ASSESSMENT & REPORTING

### Multiple Modes of Assessment

- Ongoing research-based assessment and reporting can guide teachers in adjusting instruction, monitoring progress, providing effective feedback, and assessing student learning.
- Collaboration between parents, educators, and students is also important for student success.

## GRADE LEVELS OF ACHIEVEMENT

### Grades K - 8

1

Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2

Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3

Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4

Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5

Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

### Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
