Get ready for a spooktacular evening at Red Deer Lake School on Friday, October 30 from 6:30 - 7:30!

It takes a village to pull off a spooktacular carnival, and we need your help! We're looking for volunteers to help with setup, carnival games, crafts, concessions and cleanup. We've created short shifts so you can lend a hand and still enjoy the evening with your family.

Even a little of your time makes a big difference!

- [SIGN UP TO VOLUNTEER](#)

Admission is free, but we'd love families to RSVP in advance so we can plan for everyone attending.

- Halloween Carnival Games: Test your skills with some frightfully fun challenges!
- Grossology Lab: Are you brave enough to reach inside our creepy mystery boxes?

- For Halloween on Friday. Students are encouraged to wear their Halloween costumes! We ask for no weapons or gore. If students have masks with their costume, they will be permitted to wear the mask during the Halloween parade at 11:00.
- The Halloween parade will take place at 11:00 in our gymnasium. Parents are welcome to start finding seats at 10:45.
- All community members are invited to attend our Remembrance Day Assembly on Friday, November 6 at 10:45. Anyone in cubs, scouts, guides, cadets, etc. to come in uniform to the assembly to be part of the colour guard.
- With temperatures starting to cool down, we want to remind families that students will be going outside for recesses, unless the temperature, including windchill is minus 23 and below. Please ensure students are prepared for the weather.
- We love having families come pick up their older children from Red Deer Lake! As we often have classes outside at the end of the day, when it is nice, we ask for families to please stay at the 'Small Playground', which is the playground closest to the parking lot, until 3:25.
- A reminder when in the parking lot, to please exit your vehicle and use the adjoining sidewalk instead of using the road for walking. Not only does this create congestion during busy hours, it is also a significant safety risk for kids and adults. We have had a few 'close calls' the past few days involving pedestrians. So, let's use our well planned sidewalk layout and improve flow of traffic trying to exit the parking lot.
- Please check slide #4 and slide #5 for information for Quebec Fundraiser for our kids going to Quebec and Ottawa!

Student is not yet demonstrating knowledge and skills as outlined in the Alberta Curriculum.

2

Student is demonstrating partial knowledge and skills and is approaching an understanding of the concepts as outlined in the Alberta Curriculum.

3

Student is demonstrating satisfactory knowledge and skills and is developing an understanding with general application of the concepts as outlined in the Alberta Curriculum.

4

Student is demonstrating substantial knowledge and skills and shows comprehensive understanding with relevant application of the concepts as outlined in the Alberta Curriculum.

5

Student is demonstrating extensive knowledge and skills and shows a depth of understanding with thorough application of the concepts as outlined in the Alberta Curriculum.

Grades 9 - 12

Grade levels of achievement for students in grades 9 through 12 are percentage-based; however, teachers will communicate how these grades are determined for each class.
