TURNER VALLEY SCHOOL

NOVEMBER 3, 2026

We would like to invite you to our **Remembrance Day Ceremony** taking place on Friday, November 6th at 10:30 am.
If your child is involved with Beavers, Cubs, Scouts, Brownies, or Guides, we would encourage them to wear their uniform. We are looking for a parent to assist with the Colour Guard. If interested, please contact Ms. Leyden, leydenj@fsd38.ab.ca
Thank you to those families who have previously submitted names and photos of their family members who have served in the military throughout the world. New families are asked to share their family information with us prior to November 3.
Please email Ms. Leyden, leydenj@fsd38.ab.ca

Literacy & Numeracy Screening Results

Parents of students in **Grades 1–5** will receive their child's **Alberta Provincial Government literacy and numeracy screening results** by email later this week. If you have questions about the results, Parent-Teacher Interviews are a great opportunity to talk them through with your child's teacher.
It is important to remember that **these screeners are just one assessment and do not tell the whole story of your child as a learner**. Our teachers gather information about student learning in many ways throughout the year. The screening results are simply one tool that helps us identify strengths, areas for growth, and any additional support that may be helpful.

School Fees Reminder

School fees were due on October 30. If you have not yet had an opportunity to make payment, please contact the office. We are happy to work with families and provide support to ensure fees are paid. Please reach out to us for assistance or to discuss payment options. Thank you for your attention to this matter.

Gratitude!

A heartfelt thank you to the **Diamond Valley Youth Foundation** for their donation to purchase a cardboard cutter for our school. This addition will support hands-on creativity and learning for our students.
We also extend our sincere thanks to the S**heep River Library** and the **Friends of the Sheep River Library** for the wonderful experiences they provide for our students, including birdhouse building, an author visit, and Lady Buggy. We are also looking forward to upcoming needle felting sessions. We are so grateful!
