NOVEMBER BREAK EDITION

We are so proud of all Spitzee Eagles for their part in a very heartfelt Remembrance Day Assembly. Major (Retired) John F. Mahon delivered a powerful speech that helped students understand real sacrifice. Thank you to the many families attended and to those who sent in photos of family members who have served or are currently still serving. Finally, the music, under the talented directing of Miss Daisy was impactful: Kendal, the choir, and the whole student body sang so beautifully. Now comes the important part: remembering our soldiers and doing our part to spread peace.

No Stone Left Alone Ceremony

In honour of the Royal Canadian Legion's 100th anniversary in Canada, the RCL High River Branch, will initiate High River's first No Stone Left Alone Ceremony in November, prior to Nov. 11th.

The High River Cemetery, Field of Honour has 102 Commonwealth Headstone graves which will receive a poppy from Spitzee Schools grades 4,5 students.

The High River Legion has registered this as an annual event with the No Stone Left Alone Memorial Foundation. The purpose is to ensure Canadian veterans graves in the Field of Honour, Highwood Cemetery, will not be forgotten and receive a poppy, with great thanks from a young student.

This ceremony will be conducted by our Chaplain, Dr. Linda Ormson, along with Veterans; but it is the students who will take the leading role, saying a pledge never to forget them, placing poppies, repeating the name on the head stone, bowing their heads, and laying a wreath on behalf of their class. It is with great thanks to their teacher Mrs. Cathy King who was pleased to have her class involved in this inaugural event.

This is NOT a public ceremony, and pictures must be approved by parents. Saying this, it is our hope that the Press will report on this event. General Press pictures may be taken with permission.
