## KEY INSIGHTS FROM RESULTS ANALYSIS

### Areas of Strength

- **Clarity of Vision and Collaborative Culture:** In 2024-2025, teachers reported 100% satisfaction with clarity of vision, mission, and values, and with professional learning and collaborative culture.
- **Professional Learning Communities:** Satisfaction with professional learning communities rose to 75% in 2024-2025, and professional body of knowledge to 71%, indicating strong engagement in collaborative and reflective practice.
- **Shared Vision and Collective Inquiry:** Previous years show high scores (up to 100%) in shared vision, collaborative culture, and collective inquiry, supporting a culture of continuous improvement and professional growth.
- 

### Areas for Growth

- **Professional Learning Communities:** While improved, satisfaction with professional learning communities (75%) and professional body of knowledge (71%) in 2024-2025 are lower than other measures, suggesting room for further development in these areas.
- **Results & Action Orientation:** Earlier years show a decline in results and action-oriented practice (from 94% in 2021-2022 to 70% in 2022-2023), indicating a need to reinforce data-driven decision-making and follow-through on improvement initiatives.
- 

### Next Steps

- **Strengthen Professional Learning Communities:** Continue to build capacity and engagement in professional learning communities, focusing on collaborative inquiry and sharing best practices.
- **Sustain Collaborative Culture:** Maintain high levels of clarity, collaboration, and shared vision through ongoing professional development and reflective practice.
