OUR SCHOOL

Turner Valley School (TVS), which was established at this site in 1927, is situated in the Foothills of the Rocky Mountains along the Cowboy Trail. Our caring staff of 16 are proud to work with 164 students in kindergarten through to Grade 6. We are a feeder school for Oilfields School and part of the greater, newly created town, of Diamond Valley.

TVS embraces the philosophy that we are a place for all students. With this philosophy, we see ALL students as our students. We endeavour to nurture the social and emotional needs of all children while igniting curiosity and interest in engaging activities that advance learning for transfer. We see the opportunity to positively impact the life of a child as a privilege. We have an incredibly strong and supportive School Council who work tirelessly alongside us to ensure that the school is part of the community, and that the community is part of the school.
