Strategy Continued From 2026-2027 Strategy Continued From 2027-2028

Strategy Continued From 2028-2029

GOALS

Advance stakeholder engagement and communications by:

- Regular and timely communication from school and classrooms to home via (email, weekly update, phone calls and communication plan for student progress)
- Increasing school council attendance and representation from all programs through a variety of different methods (i.e. parent recruitment, room representatives, etc.)
- Bring current School Council and Fundraising Bylaws up to date to reflect current practice and policies.

Advance evidence-based continuous improvement and assurance by:

- Evidence-informed decision-making: Ensure a continuous improvement cycle in which participants are persistently attentive to gathering ongoing, triangulated evidence to inform next steps.
 - Incorporating stakeholder input based on engagement at various points throughout the year
- Engagement: Develop effective engagement processes that rely on education partners working together for the purposes of bringing about positive change, with all partners recognizing that the nature of the engagement will vary according to the needs of the participants.
 - Provide increased opportunities for school council to be involved in developing our school education plan in meeting obligations under Section 12 of the School Council's Regulation
 - Continue to promote opportunities for engagement within the system and school levels through participation in: Students Matter, Alberta Education Assurance Survey, FSD Assurance Survey, School Council, and The FSD Council of School Councils (COSC)
- Learning and Capacity Building: Develop a dynamic assurance process that provides opportunities for building capacity for change and ongoing improvement.
 - Build processional capacity and a commitment to continuous improvement with all stakeholders in our school community.
 - Facilitate communication and the ongoing engagement of all education partners in respectful collaborative action.
