PARENT ENGAGEMENT

You are very important to your child's education. Our goal is to collaborate with caregivers to provide the very best education possible and to create a school that is safe, caring, and welcoming.

Unfortunately, the pandemic has made it very difficult to collaborate with you since we opened as a school in 2019. It is a school-wide focus this school year to increase parent engagement at Meadow Ridge. Your voice is extremely important and you provide us with excellent ideas for how we can make our school even better.

There were two areas of concern in a survey that went home last year, which was answered by 231 Meadow Ridge families.

One was school improvement and another was parental involvement. If you could please take some time to answer TWO questions on the survey, we would appreciate your feedback and ideas:

We will then look at your ideas as a faculty and at School Council to see what we can do to make Meadow Ridge better than it already is. Thank you in advance for your time and ideas. We appreciate it!
