

SEASON OF GRIZZLY GIVING

Our leadership students have taken on planning and organizing an event to get into the spirit of giving this season!

Our event, 'Season of Grizzly Giving' has the goal of supporting and giving to families in need in the Okotoks area. We are working with the Magic of Christmas organization and the Okotoks foodbank!

Students will be collecting donations of various kinds to fill classroom 'bingo cards' which will be used to score points. This will hopefully add a hint of friendly competition to motivate classes and students to give what they can for such a great cause! Homeroom teachers will collect and keep track of donations, and leadership students will collect and display them around the school so students can see the contributions grow in the coming weeks!

Gift cards, new gifts for children, teens, and adults will be collected on December 13th by the Magic of Christmas.

The food bank will be coming to collect food bank donations on December 18th.

We look forward to seeing the immense impact that our Grizzlies have on our local community!

Please contact your homeroom teacher if you have any questions or need ideas of items to donate!

A big thank you to our Meadow Ridge families for supporting our Scholastic Book Fair!

It was a huge success and as well as fundraising to build the book collection in the Learning Commons, the teacher wish lists were a big hit!

Your generosity towards our teachers, gifting them books for their Learning Studios gives access to more books for many students and is much appreciated!
