This week we kicked off Jump Rope for Heart Info Week! Our Event week is scheduled during your child's PE class Feb. 26th - March 1st.

This event teaches our students the importance of giving back and encourages them to learn the EASY healthy habits, so they understand the importance of staying active, eating well, and taking care of their heart and brain health. The funds our school raises will help support important heart and stroke research.

Let's work together as a school community and show how generous we can be! Join our school online and get your child set up with their own fundraising page by clicking here:
