Healthy Albertans. Healthy Communities. Together.

Opportunity for High School students to receive missed routine immunizations

Alberta Health Services (AHS) Public Health is offering Calgary area High School students who missed their routine Grade 9 immunizations an opportunity to receive these vaccines at an AHS immunization clinic.

Routine school immunizations for Grade 9 include diphtheria, tetanus, pertussis (dTdap) and the Meningococcal (MenC-ACYW) vaccines.

Students may have been away from school or had their scheduled immunization date changed or cancelled while they were in Grade 9. If a vaccine was missed, it is not too late to receive these immunizations which are free to all eligible students.

To determine if your child is eligible, please visit AHS Immunization website: <http://immunizealberta.ca>

If you are unsure of your child's vaccination status, please call 811 or your local AHS public health clinic.

Wow!

\$7000

As a school, raise over \$7000 this year (that's how much we raised in our first ever Read-A-Thon) and win a popcorn/movie PARTY (for the whole school)!

Mark your calendar!
