### IMPORTANT - CHANGE IN TRAFFIC FLOW

Please be advised that BRT Construction is in the process of installing new underground facilities on Behalf of TELUS along 32<sup>nd</sup> Street.

Soon they will be moving to Chinook Arch Way intersection to complete construction.

This will affect the entrance to our school.

They are in the process of establishing traffic control at the entrance of the school and will provide us with notice as to how this is going to look for your School Bus Drivers, parents, and students.

Construction will be approximately seven days including the weekend, pending weather. The turning lane will be closed for the full duration to allow equipment, and open excavation to the road. This is to ensure the safety of everyone.

We will inform parents on a specific date once we know. Please plan your route and departure time accordingly. This will create delays. If the weather permits, we encourage students to walk, bike, scooter, etc to minimize traffic.

COVET SIPS + SWEETS

## SCHOOL'S OUT FOR SUMMER PROJECT

JUNE 1-15

MEADOW RIDGE SCHOOL  
**CRUEL SUMMER**
