## Moving out of Meadow Ridge Boundary?

Due to our enrollment numbers, we are not able to keep students who move out of our boundary due to large class sizes and the limited number of learning spaces we have.

With our boundary being an area of exponential growth, we simply cannot keep all families who choose to move out of our boundary.

While we would love to keep all kids at Meadow Ridge, this is not feasible given the growth in our catchment area. Please let us know where you will be moving and if you have any questions, please contact the office.

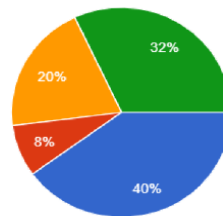

**Registration is still open to register for KINDERGARTEN.**
