

MEADOW RIDGE SCHOOL IS A CLOSED CAMPUS.

What does this mean?

Students who live within walking distance can leave to go home for lunch if we have written permission from parents which is kept on file for the school year. The student needs to sign out at the front office and check in once they return.

With Meadow Ridge being a closed campus, students are not to be leaving to go to 7-11 or other locations during lunch break.

Thank you for your cooperation and understanding.

PARENT/ STUDENT COMMUNICATION

It is important for parents to connect directly with teachers should they have questions or concerns about what is happening with your child's education. Please feel free to reach out

JUMP ROPE FOR HEART

We are just shy of our fundraising goal! 8% of funds are given back to our school from the total raised for gym supplies and equipment! Please share with families and friends - it would be great to reach our goal as a school and celebrate together!
