2024/ 2025 School Year Information

1. Class Placement Requests for 2024-2025

Meadow Ridge has a policy for parental requests for class placements. You can find the details on our website:

[Class Placement Link](#)

2. Moved Out-Of-Boundary?

If you have moved out of Meadow Ridge's boundary this year, you will be expected to attend your community school for the 2024 school year. As we near enrollment capacity, it is simply not possible for all students to continue to stay at MRS if they do not reside within our boundaries. While we wish we could, we do not have the space and resources available. You can find more information about school attendance here:

Please understand that if you have moved, you will receive an email from the school reminding you to register at the school in your attendance area for the 2024 school year. Thank you for your understanding.
