We ask that you include your child's name on the order as that helps us with sorting. We will send the orders home with your child(ren) if the order is not too large. Otherwise, we'll contact you to pick up. If you prefer to pick up, please let the office know by replying to this email.

***The deadline date to order:***

**11:59 pm on Wednesday, October 16th**

Clothing will arrive to the school approximately 4 to 5 weeks after the closing date.

Please note, orders are done directly through Sportfactor and they do not accept returns as orders are custom made.

Please refer to the sizing charts on the site. If you need assistance with ordering, you can find the 'Need Help' button at the bottom of the webpage. A copy of the brochure is also attached.

The next opportunity to order clothing will be in the Spring.

### HOW TO access your child's images online:

Parents can still access their photos online by using their child's portrait ID and access code. By enabling the option of using your child's student ID number, it gives people another way to access photos if they lose their proof sheet

Lifetouch developed a way for families to access their child's photo using their **student ID number.**

Here are the quick and easy steps to access photos online by using your child's student ID number:

- Go to [mylifetouch.ca](http://mylifetouch.ca)
- Click on "Student ID"
- Enter in your school's city, province and school name
- Follow the instructions to view and order your child's photos

As prices rise and families struggle to pay for all the necessities, Lifetouch Photography made the decision to decrease packages by up to 25% on all our packages and individual photo sheets.
