

Blackie Bark

What's happening at Blackie?

Upcoming BIG Events February & March

February 13 - Learner Profiles will be posted to your EdSembli account, and a printed copy will go home at the same time. Please take the time to read these documents - they are the reflection of your child's learning over the past 6 months!

March 2-6 - Trickster Theatre will be here for a week long residency! Students will be working with actors all week to create a performance at the end of the week. Stay tuned for the timing of our final performance, which will be on the afternoon of Friday, March 6.

March 13 - The entire school is heading to COP for ski and snowboard lessons! Thank you so much to our School Council and Funding Association for supporting this venture!

Gratitude

Thank you to everyone for getting your forms and funds into the school for the ski trip! This has allowed us to get everything organized well in advance, so the day goes smoothly! We know it's been a lot of paperwork on your end!

Reminders

Flu and cold season is upon us! Please email the office and your child's teacher if they are sick. Thank you in advance for keeping your children home if they are sick. We ALL appreciate it.

February -March weather is SUPER variable. We go outside every day, including our Junior High students, as long as it is warmer than -25C. Please help your children ensure they are dressed appropriately for the weather. Please also support us by reminding them they need to stay out of the water and off the ice in all this melt!

Coco Brooks fundraiser runs until February 9! Get your orders in soon!

Our Play is the Way moto this month is:

Pursue your personal best, no matter who you work with.
