CAMP DREAM. SPEAK. LIVE. 2026

CALGARY
July 13-17, 2026

FOR YOUTH WHO STUTTER

St. Mary's University Heritage Centre
14500 Bainbridge Road SE Calgary, Alberta

Camp Dream. Speak. Live. offers a transformative experience for people aged 4-17 who stutter. Camp DSL is built on the CARE Model, a strengths-based approach developed at the University of Texas at Austin's Bark Center for Stuttering Education and Research. This program, offered in 50+ locations, brings life-changing resources to communities worldwide. Children participate in engaging, research-supported activities designed to build:

- Communication skills and competence
- Resiliency and confidence
- Advocacy and self-expression
- Education and understanding of stuttering

The manualized Camp Dream. Speak. Live. protocol, guided by trained clinicians, empowers participants to pursue their dreams, speak from their hearts, and own their lives to the fullest.
