Christmas Cards for Seniors!

This week in the Learning Commons our students made cards for Seniors.

Over **600** cards will be delivered to Senior homes in Okotoks, High River and South Calgary.

Well done Grizzlies for making a difference in our community!

Meadow Ridge Christmas Market

This year, the Meadow Ridge Christmas Market will take place on Thursday, December 18th, from 9:30 to 11:00. Our students have spent time collaborating, brainstorming, and drafting business proposals for their ideas. At Meadow Ridge, we strive to improve each year by learning from our success of last year and building on these skills.

If your child has an idea for the market but needs access to the supplies needed, we encourage them to reach out to their teacher with their proposal. We will find ways to make it work. If your child needs help deciding, encourage them to search for small business opportunities or market ideas for kids online.

Students will have a few art blocks to produce, price, and make storefront signs. They are welcome to bring their supplies into the school once they are ready. Any food items must be individually wrapped, made at home, and brought in priced and prepared to be sold at the market.

We encourage students to come up with their own creative ideas and to take chances. We would not encourage you to spend large amounts of money on this project; instead, we encourage you to create products with dollar-store supplies or items from home.

We look forward to having you shop at our Market and see the fantastic showcase of products created by the children at Meadow Ridge. It is an excellent opportunity to do some Christmas shopping!

We are incredibly excited to showcase young entrepreneurs at work. If you have any questions or concerns, please contact Mrs. Vollman at vollmanb@fsd38.ab.ca or your child's teacher.

FOOD BANK DRIVE

We are the Leadership students who will be running this year's school Food Drive!

The drive will run from **Monday, December 8th, to Tuesday, December 16th.**

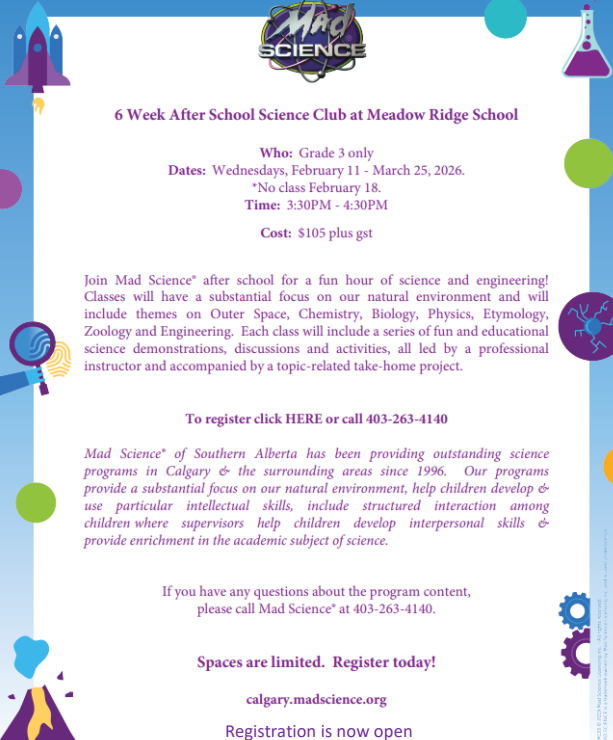

We are asking each class to please collect non-perishable food items during this time.

We will come around to **pick up all donations on Tuesday, December 16th,** and deliver them to the Food Bank.

Items the Food Bank is looking for include:

- Canned vegetables and fruits
- Canned meats and fish
- Pasta, rice, and grains
- Pasta sauce
- Peanut butter
- Soup and broth
- Boxed meals
- Baby food and formula
- Personal care items (toothpaste, soap, shampoo, etc.)

6 Week After School Science Club at Meadow Ridge School

Who: Grade 3 only
Dates: Wednesdays, February 11 - March 25, 2026.
*No class February 18.
Time: 3:30PM - 4:30PM
Cost: \$105 plus gst

Join Mad Science® after school for a fun hour of science and engineering! Classes will have a substantial focus on our natural environment and will include themes on Outer Space, Chemistry, Biology, Physics, Etymology, Zoology and Engineering. Each class will include a series of fun and educational science demonstrations, discussions and activities, all led by a professional instructor and accompanied by a topic-related take-home project.

To register click [HERE](#) or call 403-263-4140

Mad Science® of Southern Alberta has been providing outstanding science programs in Calgary & the surrounding areas since 1996. Our programs provide a substantial focus on our natural environment, help children develop & use particular intellectual skills, include structured interaction among children where supervisors help children develop interpersonal skills & provide enrichment in the academic subject of science.

If you have any questions about the program content, please call Mad Science® at 403-263-4140.

Spaces are limited. Register today!

Christmas Spirit Week

Leadership students are organizing this year's **Christmas Spirit Week**, taking place from **December 15th to December 19th.**

- **Monday:** Christmas Sweater Day
- **Tuesday:** Christmas Sock Day
- **Wednesday:** Red & Green Day
- **Thursday:** Christmas Hat Day
- **Friday:** Pajama Day

Thank you for your continued support in helping create a fun and festive school environment. We're excited to spread holiday cheer throughout the week!
