## School Leadership Report (AP 102 – Appendix A) Education Plan: [Blackie School Education Plans](#)

Co-create and co-design numeracy learning with The Consortium to ensure our students have strong number sense, have math automaticity and are strong problem solvers.

- Co-planning and designing high yield numeracy instruction strategies to ensure all students are numerate
  - Shift our universal numeracy instruction to ensure that foundational knowledge and understanding is the cornerstone of all work
  - Use data from 2 benchmark assessments (September and June) to guide our teaching and professional development in order to best meet the needs of our students
