## OUR SCHOOL

In the fall of 2026, Meadow Ridge School will begin its eighth year. With approximately 670 students Kindergarten through Grade 9 our school is nestled in north Okotoks with beautiful views of the Rocky Mountains to the west and a wetland to the north. A co-created vision and mission was created when the school opened and continues to influence all that we do as a school.

### **Empowering hearts, heads and hands to make a difference.**

- *Engaging with Others*
- *Engaging in Thinking*
- *Engaging in Action*

*We cultivate curiosity, nurture community, and grow global citizens.*

Meadow Ridge is the Home of the Grizzlies of which our mascot was chosen by students in our first year. Like the Grizzly, we are resilient, patient and accepting, adaptive, know when to walk away, continuous learners who live in the present based on lessons from the past, and are courageous enough to be ourselves (Elmeligi & Marriott, 2020). To develop a safe, caring, welcoming learning environment, we focus on the Meadow Ridge Compass, also referred to as the 3 B's: helping others feel they **BELONG**, doing our **BEST**, and leaving spaces **BETTER** than the way we found them.

We have an unwavering belief that:

- All learners' have the potential to make a world of difference. Together we are better - collaboration is who we are and how we learn. Everyone has strengths and we all have areas to grow.
- Continuous improvement is the norm. We research, innovate and create to make an impact and develop life-long learners.
  - Mistakes and misconceptions are part of the learning process.
  - High expectations are for everyone; people reach the bar we set.
  - Language matters – what we say affects culture.
  - Relationships matter – we are valued and cared about for who we are.
  - Environment matters – students learn better in varied learning environments that are learner centered. Spaces are for them.
  - Feedback matters - learning is a journey of continuous improvement, which requires reflection and action on feedback from others.

With 30 certified faculty and 13 support staff including, educational assistants, office staff, a Learning Commons Facilitator, and a Family School Liaison Counselor, we offer a diverse range of learning opportunities within our learning studios, community and outdoors to make our vision live within the Meadow Ridge School community. Students are invited to attend and/or lead a variety of clubs and extracurricular activities which provides a well-rounded schooling experience focusing on intellectual engagement, health & well-being, positive peer relationships and social emotional development. To develop the whole child and prepare them for life beyond the walls of schools, we offer a variety of Career and Technology Foundations (**CTF**), Fine Arts and physical activity opportunities. This provides students in Grades 5 to 9 the opportunity to explore their interests within various occupational areas and technologies. Through **CTF**, students may plan, design, create, and implement solutions for relevant problems that exist in our world. These also include an introduction to construction using power tools, foods, recreation sport, digital media, band, outdoor education, and drama to name a few. Kindergarten to Grade 6, CTF focuses on learning through play and Makerspace where students engage in the design thinking process, STEM, cooking, and crafting.
