

OILFIELDS HIGH SCHOOL 2021/2022 GRADE 11 COURSE REGISTRATION

This form is to help you plan and choose courses for the upcoming school year.

The purpose of this form is to help parents and students discuss, plan and choose courses at Oilfields High School.

CHOOSING COURSES (*Course Selection planning form is on the opposite side.*)

The courses chosen in Grade 10 determine the Grade 11 and Grade 12 courses completed and the Post-Secondary programs/careers to which students may apply. Select courses that will allow flexibility for your future.

Plan carefully because the timetable is created based on your class choices. Once the schedule has been built, specific changes may be difficult or impossible to make. Selection of a course does not ensure you will be able to fit it into your schedule, although every attempt will be made to accommodate you.

Registration Procedures: fill out the other side of this form, checking off the courses you wish to take.

- Grade 10 electives (core) classes are prerequisite courses for going into grade 11.
- CALM/CTR and Physical Education 10 are mandatory for graduation.
- University bound students should register in ELA 20-1, SST 20-1, biology, chemistry and/or physics 20, and Math 20-1 or 20-2. Which one depends on the program and career pathway students are choosing.
- College bound students should register in -1 or -2 ELA and Social, biology, chemistry and or physics 20, and math 20-1 or 20-2. Which one depends on the program and career pathway students are choosing.
- Apprenticeship students should register in -1 or -2 ELA and Social, biology, chemistry and/or physics 20 or science 24, and math 20-1, 20-2 or 20-3.
- Students wanting to graduate and work and do not plan on advancing their education after graduation should register in -1 or -2 ELA and Social, any 20 level science including 24, and Math 20-1, 20-2 or 20-3.
- Rank your Wellness, CTS/Fine Arts and Second Language choices in case a requested course could not be timetabled for you. #1 is your top choice and we will do our best to give you your top choices.
- Spares are typically offered in grade 12 only.
- Ensure that you have selected enough courses for a full timetable (40 credits.)

Information regarding Post-Secondary requirements can be researched through students' myBlueprint account.

Specific trades information is at: <https://tradesecrets.alberta.ca/>

If you are unsure about graduation or Post-Secondary requirements, take the time to speak to Mz. Isberg and your teachers. Graduation requirements can be found at <http://oilfieldsstudentservices.weebly.com/what-do-i-need-to-graduate.html>

SUMMER OFF CAMPUS CREDITS

If you intend on claiming hours or enrolling in **WORK EXPERIENCE, GREEN CERTIFICATE, or REGISTERED APPRENTICESHIP PROGRAM** over the summer, contact Mz. Isberg in room 18153 or by email: isbergi@fsd38.ab.ca. You can earn high school credits while you work. Information can be found on the student services website. Work course contracts must be filled in before the summer or during the summer to claim summer hours.

FSD SUMMER SCHOOL is offered online. Students are still required to sign up for courses they may be taking in the summer, for the fall registration. Course selection and timetable can be changed once students show a course has been completed and passed.

PLEASE RETURN THE FORM BELOW TO THE SCHOOL.

OILFIELDS HIGH SCHOOL COURSE SELECTION FORM 2021-2022

NAME: _____

11

Student Name _____

Next year Grade _____

Please check off the courses you wish to take and **HAVE EARNED/ARE EARNING THE PREREQUISITE** course for.

Course Name	Credit Value	Teacher Recommends	Student Choice √	Confirm your selection with a √ in the appropriate box.
Language Arts				
English 20-1	5			Must choose one.
English 20-2	5			
Social Studies				
Social 20-1	5			Must choose one.
Social 20-2	5
