The Foothills School Division School Relaunch Handbook states that wherever possible, students should not be sharing stationary supplies. As a result, we will no longer be supplying students with sharable items. Students must come prepared with all their own supplies, and will not be allowed to share.

The following is a generic list for all grades 7-12. Please note that some of these supplies may need to be replenished throughout the school year.

**Grades 7 -12 General Supplies**
