

CAYLEY SCHOOL

October 2024

WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

SUCCESS

- School-wide collaborative structures allowing for older students to support younger students with literacy, numeracy and play.
- Dedicated CTF instruction and opportunities for students to enrich learning and intellectual engagement.
- Strong core-subject instruction in multi-aged spaces to support literacy and numeracy.

SUPPORT

- Staff strengths are being leveraged in order to best support student learning
- Student well-being is promoted through elective opportunities and Cobra families.
- Continuum of supports has evolved to include more diverse social-emotional supports for learners

ENGAGEMENT

- Monthly assemblies to recognize exceptional students and celebrate successes.
- Targeted community events that bring everyone together and build community amongst all stakeholders.
- Strong parent participation in school events (school council, learning opportunities)

CAYLEY COBRA CLUBS

- Cross-graded learning opportunities for students to pursue an area of passion
- Held monthly, and intended to build community and offer leadership opportunities for older students
- Allows for students to access expertise of teachers without being in that teacher's class

COBRA COMMUNITY EVENTS

- Pancake Breakfasts, Barn Dances, Seniors tea day
- Meet the teacher evenings and many more opportunities to welcome our parents and the community at large into the building to build meaningful engagement with our stakeholders!
