

DIRECTOR OF PROFESSIONAL LEARNING & EDUCATION PARTNER RELATIONS

OCTOBER 2024

WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

SUCCESS

- Developing shared leadership strategies with school leaders
- Learning and Leading program developing the leadership capacity of future leaders
- Co-designing and supporting professional learning plans in schools

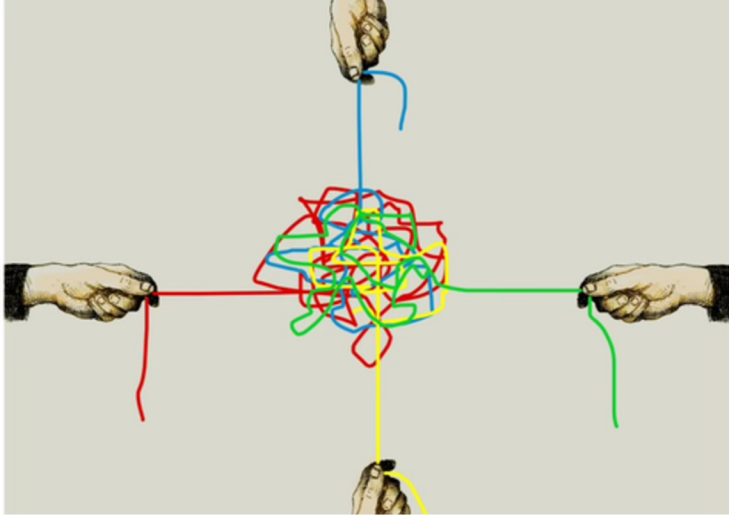

SUPPORT

- Supporting wellness and well-being for all through Education Partner Relations
- Advancing wellness for school leaders through the FAA Guide to Success
- Being visible and approachable in our school communities
- Connecting individual purpose to flourishing communities across FSD

ENGAGEMENT

- Building relationships with members of our school communities
- Engaging school leaders in determining learning needs of their school community

FAA - The necessity of shared leadership

- Our school leaders are exploring the practical benefits that shared leadership has on Flourishing School Communities.
- They are developing shared leadership teams that leverage the expertise of the people on their staff.
- They are collaborating with each other to develop meaningful, purposeful and aligned professional learning plans that advance excellence in teaching leading and learning.

Developing Leadership in FSD

The Learning and Leading Program is well underway, by participating in this cohort teachers will:

- Get practical leadership experience both in their schools as well as with FAA.
- Get insights from experienced school leaders from across our system.
- Develop and reflect on their leadership philosophy.
- Be a part of the shared leadership team in their school.
- Have the opportunity to work together to solve realistic problems of practice.
